Pumpkin Cake

3 large eggs
1 cup granulated sugar
2/3 cup pumpkin purée
(not pumpkin pie filling)
3/4 cup all-purpose flour
1 tsp baking soda
1 tsp ground cinnamon
1/2 tsp ground ginger
1/4 tsp ground nutmeg
1/2 tsp salt
Powdered sugar, for rolling

Directions

1. Prep: Heat oven to 375°F. Line a 10x15-inch jelly-roll pan with parchment paper and lightly grease it.
2. Make the batter: Beat eggs and sugar for 2-3 minutes, until thick and pale. Mix in pumpkin. In another bowl, whisk flour, baking soda, spices, and salt. Fold into pumpkin mixture just until combined.
3. Bake: Spread evenly in prepared pan. Bake 12-15 minutes, until the top springs back when lightly touched.
4. Roll while warm: Dust a clean kitchen towel with powdered sugar. Turn the hot cake onto the towel and peel off parchment. Starting at a short end, gently roll the cake and towel together. Let cool completely.
5. Make the filling: Beat cream cheese, butter, powdered sugar, and vanilla until smooth and fluffy.
6. Fill and chill: Carefully unroll the cooled cake. Spread the filling evenly, leaving about 1/2 inch around the edges. Roll it back up without the towel. Wrap and refrigerate for at least 1 hour.
